Travel to PRC

1. You asked if we could locate anything later than Doctor Kissinger's 18 March 1972 directive on travel to the People's Republic of China by Executive Branch Personnel.

2. We determined that there is:

- the current policy on official travel is contained in State message #41569 dated 17 February 1979;
- the current policy on unofficial travel is contained in State Air Gram 45-75.

3. Al Philbrook, State SY 632-3190, is our contact. He says there is a new policy on unofficial travel to PRC coming out but he couldn't give us a date.
